This document is a status update for the Fiscal Year 2014/15 (FY 2014/15) Los Angeles City Facilities Sidewalk Repair Program (Program).

Program Background

On February 3, 2015, the City Council approved implementation of a FY 2014/15 Program for repair of sidewalks adjacent to City facilities. The Bureau of Engineering (BOE) was established as the Program Manager.

BOE is hosting bi-weekly progress meetings attended by staff from the Mayor's Office, Council, Board of Public Works (BPW), Bureau of Contract Administration (BCA), Bureau of Street Lighting (BSL), Bureau of Street Services (BSS), City Administrative Officer (CAO), Chief Legislative Analyst (CLA), Department of Recreation and Parks (RAP), General Services Department (GSD), the Department on Disability (DOD), Personnel Department, and the Department of Transportation (DOT).

- The Mayor's Office
- The Board of Public Works
- Council District 9
- Council District 15
- El Pueblo de Los Angeles

Participants walked from City Hall East to El Pueblo, then along Cesar Chavez Avenue, and back to City Hall East. Sidewalk repair challenges noted include matching decorative brick at the Los Angeles Mall, modification of tree wells and possibly relocating fencing along Cesar Chavez Avenue to provide space for ADA compliant sidewalk.
