

Hi, attached you will find the Community Impact Statement that the Boyle Heights Neighborhood Council voted to support at our July 23, 2014 Board meeting regarding the matter of Council File Number 14-0223:

Date of NC Board Action: 7/23/14

Type of NC Board Action: For Proposal

Attach Board Action: attachment of the actual vote by BHNC, or the minutes

Council File Number: 14-0223

Brief Summary

The BHNC is in favor of the City of Los Angeles requiring a raised pay wage for hotel workers in hotels that are larger than 120 rooms.

Additional Information

At a publicly noticed and brown act compliant board meeting of the BHNC, the board, which represent over 80,000 residents in Los Angeles, of which a significant portion are hotel workers, voted to support a minimum wage increase for hotel workers employed by hotels with 120 rooms or larger. The board believes that Boyle Heights will benefit from the ability to earn a living wage, and also to use that money to pay back into our own local economy.
