**Comments for Public Posting:** My name is Silvia Marroquin, I'm a Senior Community Organizer, with SAJE. I support the strong anti-harassment tenant ordinance that includes Council member, Nithya Raman's amendments. I do not support Councilmember Lee's amendments. Harassment is a tactic frequently used by landlords to silence and evict tenants. There shouldn't be an opportunity to cure harm. As I share the story of tenant who's 8 month old baby was attacked with Chile powder on his little face to force tenants to move out of their apartment. Harassment is the window to criminal doings if left without consequences.
