**Comments for Public Posting:** My name is Silvia Venegas a board member of Liberty community landtrust, ACCE, L.A. tenants union, and downtown crenshaw Coalition and a proud community organizer whos heard over and over horrible atories of landlords taking advantage of the week tenant protection laws and have gone as far as physically verbally harassing tenants just so that they can leave their place and the landlord gets to increase for future tenant their friends I have been in several actions and have even witnessed the police taking reports of physical abuse from landlords I strongly stand and support for the anti-harassment law to pass it's urgent and it's the human right thing to do nobody deserves to be harassed especially in an unprecedented World pandemic. Do the right thing which is your job to represent the voices of your constituents as your income is tax dollars that the community pay into referred you to stand with us and represent us the tenants and your constituents.
