COUNCIL TRANSMITTAL: REQUEST FOR APPROVAL TO EXECUTE AN AGREEMENT WITH THE LOS ANGELES UNIFIED SCHOOL DISTRICT IN AN AMOUNT NOT TO EXCEED \$660,000 FOR PLACEMENT OF PUPIL SERVICES ATTENDANCE COUNSELORS AT 17 FAMILYSOURCE CENTERS

SUMMARY

The General Manager of the Los Angeles Housing and Community Investment Department (HCIDLA) is requesting authorization to execute an agreement with the Los Angeles Unified School District (LAUSD) in an amount not to exceed \$660,000 for placement of Pupil Services Attendance Counselors (PSAs) at 17 FamilySource Centers (FSCs). The \$660,000 represents a partial match to the \$1,067,344 annual commitment made by the LAUSD for this effort.

The PSAs will be collocated at the FSCs and will serve as the first point of contact for all youth participants Pre-K-12th grade. Their focus will be on “student retention services” which will assist the FSCs in meeting and exceeding their “Increased Academic Achievement” outcome goals and in standardizing the provision of services to youth.

This transmittal contains recommendations totaling \$700,000, including a \$40,000 allocation to cover the CSBG share of increased lease costs at the HCIDLA headquarters.

RECOMMENDATIONS

The General Manager of the HCIDLA respectfully requests that:

- I. Your office schedule this transmittal at the next available meeting(s) of the appropriate City Council committee(s) and forward it to City Council for review and approval immediately thereafter;
- II. The City Council, subject to the approval of the Mayor, take the following actions:
 - a. AUTHORIZE the General Manager, HCIDLA, or designee, to:
 - i. Execute an agreement with the Los Angeles Unified School District in an amount not to exceed \$660,000 for the period of July 1, 2014 to March 31, 2015, in substantial conformance with the draft Professional Services Agreement attached to this transmittal; subject to approval by the City Attorney as to form; and
 - ii. Execute any subsequent amendments to this agreement, also subject to City Attorney approval.
 - b. APPROVE the use of 2014 CSBG and/or other funds set-aside for the FamilySource services for this agreement.
 - c. APPROVE the use of the \$40,000 in CSBG funds for HCIDLA administrative costs which includes but is not limited to rent and parking.
 - d. AUTHORIZE the Controller to increase appropriations in the amount of \$839,584 in Account No. 43K262 System within the CSBG No. 428 and expend funds upon proper demand of the General Manager of HCIDLA.
 - e. AUTHORIZE the General Manager HCIDLA, or designee, to prepare any Controller's instructions needed to implement actions approved by the Council and Mayor on matters presented in or deriving from this transmittal, and/or to make necessary technical adjustments, subject to the approval of the City Administrative Officer; and further, REQUEST that the Controller implement the instructions.
 - f. Upon Council action, send the Council File forthwith to the Mayor for concurrence.

BACKGROUND

The FSCs comprise the City's system of service delivery for anti-poverty initiatives and core services designed to assist low or very low income families move toward self-sufficiency by increasing family income, promoting financial empowerment and academic performance. These outcomes are attained through the provision of a comprehensive array of services that include but are not limited to financial literacy, parenting, income tax preparation, computer literacy, legal assistance, and tutoring and mentoring. The System serves 40,000 City residents annually.

Increased Academic Achievement

Since its inception the System has promoted accountability and transparency as two of its values. Accordingly, all FSCs are formally evaluated and local economic impact studies of the System are prepared on an annual basis. These reports are used both to celebrate the System’s successes and to identify opportunities for improvement.

Related to this, “Increased Academic Achievement” has been underreported by the FSCs due to the challenge of securing documentation to support student outcomes (enrollment in school, progression from one grade level to the next, improved grades, etc.). This is attributable to the confidentiality of such information. Additionally, while all FSCs offer a common menu of services for youth, the actual service delivery model is not standardized across the System.

HCIDLA/LAUSD Collaborative

To address this issue, the HCIDLA and LAUSD have agreed to partner in the provision of services to youth at the FSCs. Specifically, LAUSD proposes to hire 17 PSAs who will be assigned to 17 of the FSCs on a full-time basis; 1 Lead Counselor and 1 Program Coordinator. This staff will be responsible for:

- Serving as the primary, initial point of contact for new registrants to determine their academic status.
- Conducting psychosocial and educational assessments and developing intervention strategies.
- Providing clinical case management for parents and families.
- Serving as mental health consultants for FSC staff offering expertise in crisis intervention, threat assessment and suicidal ideation as it relates to students and families.
- Providing training on the correlation between academic success and good attendance, among other topics.
- Serving as liaison between the FSCs and LAUSD schools.
- Facilitating the process of releasing confidential information from schools to document the academic achievement of youth.

The cost of this collaborative totals \$2,134,689 on an annual basis, of which ideally 50% would be paid for by the HCIDLA and 50% by the LAUSD:

Personnel	HCIDLA	LAUSD	Total
17 PSA Counselors	\$1,005,066	\$893,392	\$1,898,458
1 Lead Counselor		\$111,674	\$111,674
1 Coordinator	\$62,278	\$62,279	\$124,557
TOTAL	\$1,067,344	\$1,067,345	\$2,134,689

CSBG Funding

Recently the City Council and Mayor authorized the HCIDLA to accept its projected 2014 CSBG allocation from the State of California (C.F. 14-0280). The State subsequently advised the HCIDLA of its actual 2014 award:

- Actual 2014 Allocation \$6,112,576
- Initial Projected 2014 Allocation \$5,232,992

- Difference \$ 879,584
- Overestimated 2013 Savings Offset* (179,584)
- Net Available \$ 700,000

Proposed Uses

- HCIDLA/LAUSD Partnership \$ 660,000
- HCIDLA Administration 40,000
- Total \$ 700,000

*In funding the FamilySource Centers for PY 14-15 (per C.F. 14-0280) the HCIDLA overestimated 2013 CSBG savings. Additional appropriation will be required (included in this transmittal) to account for this funding gap.

It should be noted that the LAUSD has made a three year commitment to the LAUSD partnership agreement presented, provided that the HCIDLA continues to provide matching funds. The HCIDLA is proposing to allocate \$660,000 in net available funds to fund a portion of the LAUSD partnership cost. Any contribution beyond the \$660,000 will require the identification of additional resources and City Council and Mayor approval. However, approval of those future funds is a matter of policy, subject to further Mayor and Council review and approval.

The HCIDLA is also proposing to allocate \$40,000 of the CSBG share to pay for the Department's office lease and parking costs.

FISCAL IMPACT STATEMENT

The 2014 Community Services Block Grant is awarded to the City by the Department of Community Services and Development of the State of California. As such, there is no impact on the General Fund from this requested action.

Program income includes, but is not limited to, grants, fees that duplicate payments, average daily attendance payments earned through program funded activities, and public or nonprofit agency revenues in excess of contract costs.

All interest earned must be reported as part of the Contractor's monthly expenditure report and must be returned to the City quarterly by separate check made payable to the City and which identifies that the amount represents interest earned on advanced funds.
- C. Any program income must be reported to the City on the expenditure report, and must be returned to the City in accordance with the City's written direction to the Contractor. At the City's discretion, program income may be used to augment the Contractor's program. Use of program income is permitted only by written amendment to this Agreement. Requests for payment after the 45 days shall not be paid by the City.

§407 VALIDITY OF FINANCIAL DOCUMENTATION SUBMISSIONS

Financial reports submitted to the City shall be accurate and correct in all respects. Cost of such accounting services are to be borne by the Contractor and are not to be reimbursed from the funds authorized hereby unless specifically agreed to between Contractor and the City by written amendment.

5. STANDARD PROVISIONS

The provisions of the body of this Agreement shall prevail over the provisions of the Standard Provisions for City Contracts should there be any inconsistency. The term "contract" as used in the Standard Provisions for City Contracts shall include this Agreement.

§501 INDEMNIFICATION (INTENTIONALLY OMITTED)

§502 INSURANCE

A. General Conditions

1. During the Term and without limiting Contractor's duty of indemnification herein, Contractor shall provide and maintain at its own expense a program of insurance having coverage and limits customarily carried and actually arranged by the Contractor but not less than the amounts and types listed on the Required Insurance And Minimum Limits Sheet (Form Gen. 146) in Exhibit B hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with instructions set forth on the City of Los Angeles—Instructions And Information On Complying With City Insurance Requirements (Revised 10/09) document, and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect City as an Insured or an Additional Interest Party, or a Loss Payee As Its Interest May Appear, respectively, when such status is appropriate and available depending on the nature of applicable coverage; 2) provide City at least thirty (30) days advance written notice of cancellation, material reduction in coverage or reduction in limits when such change is made at option of the insurer; and 3) be primary with respect to City's insurance plan. Except when City is a named insured, Contractor's insurance is not expected to respond to claims which may arise from acts or omissions of the City.
2. The standard City insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverages and limits shall be described by contractor in any

RFP for subcontractor services. These coverages and limits should be tailored to the individual subcontract. For City contracts, Required Insurance and Minimum Limits are set by the City Risk Management staff in the Office of the City Administrative Officer on the Form Gen. 146. Electronic submission is the preferred method of submitting your evidence of insurance documents. **Track4LA™** is the City's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA™** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf. Additional instructions and information on complying with City insurance requirements can be found at http://cao.lacity.org/risk/Submitting_proof_of_Insurance.pdf.

B. Modification of Coverage

City reserves the right at any time during the Term to change the amounts and types of insurance required hereunder by giving Contractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to Contractor, City agrees to negotiate additional compensation proportional to the increased benefit to City.

C. Failure to Procure Insurance

All required insurance must be submitted and approved by the City Administrative Officer/Risk Management/Insurance and Bonds prior to the performance of services, inception of any operations or tenancy by Contractor. The required coverages and limits are subject to availability on the open market at reasonable cost as determined by City. Non-availability or non-affordability must be documented by a letter from Contractor's insurance broker or agent indicating a good faith effort to place the required insurance and showing as a minimum the names of the insurance carriers and the declinations or quotations received from each.

Within the foregoing constraints, Contractor's failure to procure or maintain required insurance or a self-insurance program during the Term shall constitute a material breach of this Agreement under which City may immediately suspend or terminate this Agreement or, at its discretion, procure or renew such insurance to protect City's interests and pay any and all premiums in connection therewith and recover all monies so paid from Contractor.

D. Workers' Compensation

By signing this Agreement, Contractor hereby certifies that it is aware of the provisions of §3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Agreement.

A Waiver of Subrogation in favor of City will be required when work is performed on City premises under hazardous conditions.

§503 NONDISCRIMINATION AND AFFIRMATIVE ACTION

- A.** Contractor shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State, and the City. In performing this Agreement, the Contractor shall not discriminate in its employment practices, against any employee or applicant for employment, denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. Contractor shall comply with Executive Order 11246, entitled "Equal

Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60).

- B. Contractor shall comply with the provisions of the Los Angeles Administrative Code §§10.8 through 10.13, to the extent applicable hereto. If this Agreement contains a consideration in excess of One Thousand Dollars (\$1,000), but not more than One Hundred Thousand Dollars (\$100,000), the Equal Opportunity practices provisions of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.3, in which event said provisions are incorporated herein by this reference. If this Agreement contains a consideration in excess of One Hundred Thousand Dollars (\$100,000), the Affirmative Action Program of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.4, in which event said provisions are incorporated herein by this reference. Contractor shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by City.
- C. Any subcontract entered into by Contractor relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section.
- D. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this program/project. For purposes of this section, Title 24 Code of Federal Regulations Part 107 and §570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

8. Contractor shall not subcontract with a former director, officer, or employee within an one-year period following the termination of the relationship between said person and the Contractor.
9. For further clarification of the meaning of any of the terms used herein, the parties agree that references shall be made to the guidelines, rules, and laws of the City, State, and federal regulations regarding conflict of interest.
