MOTION

I MOVE that the report of the Rules, Elections and Intergovernmental Relations Committee, relative to establishing a regulatory framework for commercial cannabis activity, and other cannabis-related issues, in the City of Los Angeles, CF 14-0366-S4, CPC-2017-2260-CA and Item 9 on today's agenda, BE AMENDED to include the following recommendations to mirror the State of Colorado provisions regarding the production of Cannabis edibles:

1. REQUEST that the City Attorney's draft ordinance pursuant to this item should prohibit the production and sale of marijuana products that are in the distinct shape of a human, animal, or fruit, or a shape that bears the likeness or contains the characteristics of a realistic or fictional human, animal, or fruit, including artistic, caricature, or cartoon renderings.
2. REQUEST that the City Attorney's draft ordinance pursuant to this item should require Edible Infused Products to be marked, stamped, or otherwise imprinted with the Universal Symbol - a diamond enclosing the notations "! THC" or "! THC M" directly on the Infused Product - in a manner to cause the Universal Symbol to be distinguishable and easily recognizable on at least one side of the product; be centered either horizontally or vertically on the Product; the height and width of the Universal Symbol shall be of a size that is at least 25% of the product, but not less than 1/4 inch by 1/4 inch (art included below for reference):

3. REQUEST that the City Attorney's draft ordinance pursuant to this item should limit edibles to 100-milligram capacity on THC per package in infused products, separated into 10-milligram servings.
4. REQUEST that the City Attorney's draft ordinance pursuant to this item should include a prohibition or regulation of additives to any retail marijuana product, including but not limited to those that are toxic, designed to make the product addictive, designed to make the product more appealing to children, or misleading to consumers.
