Item Number: 19

Summary: The Historic Highland Park Neighborhood Council requests that, in addition to the regional meetings currently scheduled to obtain NC and Alliance input on how best to regulate the cannabis industry in Los Angeles, that at least one be set for northeast Los Angeles in mid to late November after we have had a chance to obtain input from our stakeholders. We also call on the Rules, Elections, Intergovernmental Relations and Neighborhoods Committee to set timely dates for the report-backs from the Chief Legislative Analyst and Chief Administrative Officer on various issues/concerns as requested on August 19, 2016, and disseminate this to the people of Los Angeles so everyone has access to the information as soon as possible.
