A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Name: Kay Hartman

Email: kay.hartman@palmsnc.la

The Board approved this CIS by a vote of: Yea(9) Nay(0) Abstain(1) Ineligible(0) Recusal(0)

Date of NC Board Action: 02/07/2024

Type of NC Board Action: For

Impact Information

Date: 03/16/2024

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 14-0499-S7

Agenda Date:

Item Number:

Summary: The Palms NC supports CF 14-0499-S7 recommending the inclusion of the Ballona Creek Bike Path extension project in the City's application for the 2024 Cycle 7 Active Transportation Program Call-for-Projects. This project would extend the current path eastward to Venice and Cochran. Many Palms residents and workers use the current Ballona Creek Bike Path for recreation or for commuting. Extending the Ballona Creek bike path would allow lower income communities access to job-rich parts of the City, as well as healthcare options such as the Kaiser medical facility, without the need for a car. The corridor parallels Venice Blvd, one of the most dangerous streets for cycling in the city, and part of the City's High Injury Network – building the path would provide safer options for pedestrians and cyclists in our

neighborhood and across the Westside. The project would also add needed accessible green space in one of the most park-poor parts of the city.
