On August 12, 2014 the Economic Development Committee considered Motion (Wesson – Bonin – LaBonge) relative to a comprehensive study on the sharing economy and its impacts on the City of Los Angeles.

The Economic Development Committee approved the Motion as amended to instruct the City Administrative Officer, with the assistance of the Chief Legislative Analyst, the Planning Department, Economic & Workforce Development Department, the Department of Building and Safety, Board of Public Works, Office of Finance, Fire Department, Police Department, the City Attorney, and in consultation with stakeholder groups, to report on the "sharing economy" to help the City get a better understanding of its impacts.

This matter is hereby transmitted to Planning and Land Use Committee for consideration.

Respectfully,
