## ADOPTED BUDGET RECOMMENDATION

INSTRUCT the Personnel Department to report to the Personnel and Animal Welfare Committee with an analysis of the current functionality of the Department and the sustainability at its current funding level. The report should include the steps involved in the selection process, the length of time it would take with full staffing and how staffing level impacts each of these steps. Additionally, provide a metrics comparison for a five-year period for the selection process, address how long exams have been in the queue and how that has changed over the past few years. The Department should address what other options it has explored to reduce the time taken, unassigned workload, and a plan to reduce the backlog of exams.
