SUMMARY

At its meeting of December 8, 2014, the Budget and Finance Committee considered the City Attorney's report referenced above. The City Attorney periodically reports to the Council on the status of liability payouts from the General Fund liability accounts 9760 (settlements of \$100,000 and below) and 9770 (settlements over \$100,000). The City Attorney report includes a confidential addendum report that prospectively identifies the status of major cases with potential General Fund payout this fiscal year and in subsequent fiscal years. After further consideration and having provided an opportunity for public comment, the Budget and Finance Committee recommended to note and file the City Attorney report. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
