

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: August 10, 2016

To: Richard Williams, Legislative Analyst
Council and Public Services Division

From: *TG* Todd Gaydowski, Division Manager
Records Management Division

**SUBJECT: COMMUNITY NAMING APPLICATION
VIEW HEIGHTS
(COUNCIL FILE NO. 14-0715-s1)**

I have reviewed the indexes to the City Council records and the City Archives records inventory database for references to View Heights. I can find no historical references to the proposed area under the name View Heights.

The proposed area is in the region of the City often referred to as Hyde Park and partially within the former boundaries of the City of Hyde Park which consolidated with the City of Los Angeles in 1923. There are references to Hyde Park in the City Council records dating back to prior to 1920.
