RE: Temporary Street Closure

Dear Mr. Moore:

This letter is in support of the temporary closing at 121st St and Figueroa in the Athens on the Hill community in Harbor Gateway. Pursuant to California Vehicle Code 21101.4 the specific location is:

- 121st Street at the intersection with the westerly side of Figueroa Street

The residents of this community have long endured criminal activity - including vandalism, litter, prostitution, and the sale of narcotics. This influx of crime is being carried over from Figueroa St and has caused a quality of life issue to these residents.

I appreciate your prompt attention to this matter. If you have any questions or need any additional information, please contact my Field Deputy, Caitlin Muldoon at 424.339.9987, or Caitlin.Muldoon@lacity.org.

Sincerely,

A handwritten signature in black ink that reads 'Joe Buscaino'.

JOE BUSCAINO
