SUMMARY

At its regular meeting held on August 20, 2014, the Public Works and Gang Reduction Committee considered the recommendations of the City Engineer as contained in its July 17, 2014 report relative to the termination of covenant and agreement regarding the Lot-Tie Agreement on Le Conte Avenue at Westwood Boulevard (Right of Way No. 36000-1960). The Bureau of Engineering reports that Barry Beitler, representing FYJA, LLC, is requesting the City to terminate the covenant and agreement regarding the Lot-Tie lying on Le Conte Avenue at Westwood Boulevard, shown colored red on Exhibit A. The petitioner is requesting, by application dated January 25, 2013, the City Council of Los Angeles, to release its rights under the Agreement, recorded on April 10, 2003 as Instrument No. 03-1025918. This agreement was recorded on April 10, 2003 in conjunction with the vacation of a portion of the L-Shaped alley lying approximately 120 feet easterly of Broxton Avenue and

approximately 120 feet northerly of Weyburn Avenue, done under Council File No. 00-1919, Work Order VAC-E1400716. Retention of the agreement over the property shown outlined in red on Exhibit "A" is no longer necessary. After having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations as contained in said City Engineer report. This matter is now submitted to Council for its consideration.
