**COMMUNITY IMPACT STATEMENT**

The Board of the Studio City Neighborhood Council (SCNC) supports Council File: 14-1057-S9 Title Vehicle Dwelling/Free Permit Program/Request for Proposals/Desertrain v. City of Los Angeles/Los Angeles Municipal Code Section 85.02/Amendment. The City of Los Angeles banned outright vehicle dwelling in residential areas along with a nighttime ban in commercial areas. This ordinance had a sunset date of January 1, 2020, and was not extended, leaving no regulations or restrictions on vehicle dwelling whatsoever, on any street in the City. Council File 14-1057-S9 creates the first step in directing the City Administrative Officer to prepare and release Request for Proposals for the administration and operation of a free permit program for vehicle dwelling on City Streets. The purpose, to prohibit vehicle lodging in residential areas, but allow a person to obtain a free permit to lodge in a vehicle on certain designated streets. These designated streets would be in non-residential areas, and the vehicle lodging permit would only be valid for a limited time and only after receiving homeless outreach services from a reputable service provider.
