

ARTS, PARKS, AND RIVER COMMITTEE REPORT relative to the various recommendations on Plan Alternative 20 to implement the proposed LA River Ecosystem Restoration Project, and the negotiation of each project agreement and identification of matching funds for the Preconstruction Engineering and Design Plans prior to implementation.

Recommendation for Council action:

NOTE and FILE the September 15, 2016 Bureau of Engineering report relative to the negotiation of each project agreement, and identification of matching funds for the Preconstruction Engineering and Design Plans prior to implementation.

Fiscal Impact Statement: Not applicable.

Community Impact Statement: None submitted.

Summary:

On September 19, 2016, the Arts, Parks, and River Committee considered the September 15, 2016 Bureau of Engineering report relative to the negotiation of each project agreement, and identification of matching funds for the Preconstruction Engineering and Design Plans prior to implementation.

Representatives from the Department of Transportation, Bureau of Engineering, Bureau of Sanitation, City Planning, Recreation and Parks, Department of Water and Power, and the Mayor's office provided some background on the matter and responded to questions from the committee members. After consideration and having provided an opportunity for public comment, the Committee moved to note and file the September 15, 2016 Bureau of Engineering report. The matter is now submitted to Council for its consideration.

Respectfully Submitted,

ARTS, PARKS, AND RIVER COMMITTEE
