SUMMARY

In a report to Council dated December 5, 2014 (attached to the Council file), the CAO states that LAPD seeks retroactive approval to apply for and accept the FY 2014-15 STEP grant award in the amount of \$3.75 million grant award from the State of California, Office of Traffic Safety for the period October 1, 2014, through September 30, 2015. On August 19, 2014, the Board of Police Commissioners approved LAPD's request. The CAO concurs with this action.

The CAO reports that the primary goal of STEP is to use enforcement and innovative strategies to reduce the number of fatalities and injuries in traffic collisions. LAPD will focus its efforts on Driving Under the Influence (DUI) enforcement and prevention; distracted driving; motorcycle safety, and primary collision factor enforcement (speed, bicycle, pedestrian and right-of-way violations). Enforcement operations and strategies will include multi-agency DUI task force operations, suspended driver enforcement operations, DUI saturation patrols, and red light and speed enforcement operations.

At its meeting held December 12, 2014, the Public Safety Committee recommended that Council authorize LAPD to apply for and accept the STEP grant award, as recommended by the Board of Police Commissioners and the CAO, as amended to incorporate a technical correction of CAO recommendation No. 3b, as reflected above.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
