SUMMARY

At the meeting held on August 13, 2019, your Economic Development Committee considered a CRA/LA Bond Oversight Committee report relative to utilizing CRA/LA EBP for the Union Avenue Elementary School Safe Routes to School Project within the Westlake Redevelopment Project Area. The EWDD reports that up to \$498,714 in taxable EBP plus Interest in the Project Area within CD 13 is recommended to be allocated to the LADOT to implement Project. Although the Safe Routes to Schools Pedestrian Improvement Program was listed as a potential project in the Project Area's Bond Spending Plan (BSP) that was adopted by Council on June 24, 2015 (Council file No. 14-1174), the Union Avenue Elementary School was not named as one of the eligible schools. The City's request for an amendment to include this project in the BSP was approved by CRA/LA's Governing and Oversight Boards and the State Department of Finance on June 19, 2019. Sufficient funds for this purpose are available from CD 13's portion of EBP in this Project Area. After an opportunity for public comment was held, the Committee moved to approve the CRA/LA Bond Oversight Committee's recommendations, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
