

MOTION

The Bureau of Sanitation installs and maintains permanent litter collection receptacles throughout the City in order to abate the spread of trash and refuse. Council District 8 has identified a need for litter abatement services in the Hoover Redevelopment Project Area. Potential improvements include installation of permanent litter collection receptacles throughout the Project Area.

Funds are available to Council District 8 through taxable and tax-exempt CRA/LA Excess Bond Proceeds from the Hoover Redevelopment Project Area that can help fund the Hoover Litter Abatement Project. In accordance with policies adopted by Council (C.F. 14-1174) related to the CRA/LA Bond Expenditure Agreement and Bond Spending Plan, any proposal to expend CRA/LA Excess Bond Proceeds shall be initiated by Council Motion. Proposals will be reviewed by the CRA/LA Bond Oversight Committee, Economic Development Committee, and any other applicable committee with final recommendations presented to the Council and Mayor for final consideration and approval. The use of taxable and tax-exempt CRA/LA Excess Bond Proceeds towards a Litter Abatement project in the Hoover Redevelopment Project Area is identified as eligible expenses in the Bond Expenditure Agreement and Bond Spending Plan.

I THEREFORE MOVE that the Economic and Workforce Development Department, with the assistance of the City Administrative Officer, Chief Legislative Analyst, Bureau of Sanitation, and any other applicable City department, provide a report with recommendations to the CRA/LA Bond Oversight Committee to allocate all remaining taxable and tax-exempt CRA/LA Excess Bond Proceeds available to Council District 8, including any earned interest, for a Litter Abatement project as identified in the Bond Expenditure Agreement and Bond Spending Plan for the Hoover Redevelopment Project Area.

I FURTHER MOVE that all remaining taxable and tax-exempt CRA/LA Excess Bond Proceeds available to Council District 8 from the Hoover Redevelopment Project Area, including any earned interest, be utilized by the Bureau of Sanitation, to fund the Hoover Litter Abatement Project upon City Council approval of the forthcoming Economic and Workforce Development Department report.
