SUMMARY

On October 7, 2014, Council considered Resolution (Buscaino – Huizar) relative to prohibiting the parking of oversized vehicles along South Hoover Street between 182nd Street and the terminus of South Hoover Street, and East 119th Street between Avalon Boulevard and Stanford Avenue. Resolution states that the Harbor Gateway community is experiencing public safety issues associated with large vehicles that are parked overnight and constrict travel lanes, thereby creating dangerous situations. Resolution makers recommend that Council authorize the needed oversized vehicle parking restrictions. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held January 28, 2015, the Transportation Committee recommended that Council approve Resolution, as amended to delete South Hoover Street between 182nd Street and the terminus of South Hoover Street inasmuch as more restrictive parking restrictions have already been posted on this street segment.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
