SUMMARY

In a report to the Mayor and Council dated October 17, 2014 (attached to the Council file), the CAO states that the City Attorney requests authority to accept \$993,333 in grant funding for the 35th year of the Victim Assistance Program. The California Governor's Office of Emergency Services awarded the County of Los Angeles \$3,973,333 to provide victim-witness services. Of this amount, \$993,333 will be awarded by the County of Los Angeles to the City Attorney.

According to the CAO, grant funding will provide for salaries, operating expenses, and fringe

benefits for 11 regular authority positions (nine full-time victim advocates and two administrative support positions). Staff provides services to victims of crime and survivors of homicide victims including crisis intervention, resource and referral assistance, assistance with victim of crime claims, restitution assistance, and funeral arrangements. The victim advocates are assigned to Los Angeles Police Department divisions and City Attorney branch offices. According to the City Attorney's Office, 7,429 victims received services in 2013-14. The CAO recommends approval of the City Attorney's request.

At its meeting held October 24, 2014, the Public Safety Committee recommended that Council authorize the City Attorney to accept the Victim Assistance Program grant award and approve the related actions above, as recommended by the CAO.

Respectfully Submitted,
