

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT
relative to the City's current illegal dumping fine level and enforcement practices.

Recommendations for Council action, pursuant to Motion (Harris-Dawson - Koretz):

1. INSTRUCT the Bureau of Sanitation (BOS), and departments associated with the Clean Streets LA Program, to report in 45 days on the City's current illegal dumping fine level and enforcement practices and provide effective approaches to modify these practices to reduce illegal dumping.
2. INSTRUCT the BOS, as part of this review, to assess existing State law and Los Angeles County provisions regarding illegal dumping to reinforce the City's illegal dumping fine and enforcement practices.
3. INSTRUCT the BOS to report on the feasibility of creating a reward program, supported by collected fines, for City residents to report illegal dumping activities.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes

For:
Hollywood Hills West Neighborhood Council

SUMMARY:

At its regular meeting held October 16, 2018, the Energy, Climate Change and Environmental Justice Committee considered Motion (Harris-Dawson - Koretz) relative to the City's current illegal dumping fine level and enforcement practices and approaches to modify these practices to reduce illegal dumping; and related matters.

After providing an opportunity for public comment, the Committee moved to approve the recommendations contained in the Motion. This matter is now transmitted to Council for consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE
