

MOTION

I MOVE that the matter of the MOTION (Cedillo-Price) relative to the development of a CleanStreetsLA strategy, Item No. 37 on today's Council Agenda (CF-14-1499), BE AMENDED to adopt the following additional recommendations:

- 1. Instruct the Department of Public Works to report back on the necessary steps for Office of Community Beautification (OCB) contractors to expand their scope of work to include reporting on the quality of life in Los Angeles Neighborhoods based on Keep America Beautiful Index which monitors the level of litter present on City streets, and report back on the time needed by contractors to complete the assessment and additional budget requests as may be need.
- 2. Instruct Bureau of Sanitation (BOS) to report back on a comprehensive plan for a robust trash receptacle program, which should include the number of trash cans Los Angeles needs to minimize litter citywide, a strategic collections plan, and any budget implications this program may have.
- 3. Instruct CLA to report on who has authority to enforce illegal dumping laws and how this authority can be expanded to better regulate illegal dumping in the City of Los Angeles.
- 4. Instruct BOS to report back on a pilot community Pride and Education Program that can engage the public to Keep LA Clean.
- 5. Instruct the CAO and CLA, with the assistance of the LAPD, Bureau of Street Services, Bureau of Sanitation, Department of Building and Safety and City Attorney, to report with recommendations on the creation and implementation of a targeted pilot program to combat chronic illegal dumping in South Los Angeles, Watts and Harbor Gateway communities.
