Memo
10/30/14

SUBJECT: REQUEST FOR APPROVAL OF THE PROFESSIONAL SERVICES AGREEMENT WITH PRUNO VETERINARY ENTERPRISES dba MID VALLEY VETERINARY HOSPITAL FOR CANINE VETERINARY SERVICES

RECOMMENDED ACTIONS

1. That the Board of Police Commissioners (Board) REVIEW and APPROVE the Professional Services Agreement with Pruno Veterinary Enterprises dba Mid Valley Veterinary Hospital (Contractor).
2. That the Board TRANSMIT the Professional Services Agreement to the Mayor's Office and City Council for review and approval.
3. That the Board AUTHORIZE the Chief of Police to execute the Professional Services Agreement upon Mayoral and Council review and approval.

DISCUSSION

On June 25, 2013, the Board approved the release of the Professional Canine Veterinary Services Request for Proposals (RFP) No. 12-870-003 seeking the services of qualified Contractors. The RFP was released to the public on June 28, 2013. A mandatory pre-proposal conference was held on July 10, 2013, however no Proposers attended. The lack of responses to the RFP, and the continuous need for such specialized services requires the City to enter into a sole source Agreement with the Contractor, as the reissuance of an RFP would be impractical.

The Office of the City Attorney has reviewed and approved the attached Agreement. Fiscal Operations Division has verified that funding is available for this Agreement.

The term of the Agreement will commence upon execution by all parties. For satisfactory performance of their services, the City will compensate the Contractor an amount not to exceed \$60,000 per fiscal year, in accordance with the Fee Schedules referred to and incorporated in the attached Agreement as Attachments B and C.

The Honorable Board of Police Commissioners

The Contractor will provide the Department with canine veterinary services upon execution. The users of the service are the LAPD K-9 Platoons: Gang and Narcotics Division, Metropolitan Division, and Emergency Services Division's Bomb Squad and Bomb Detection Canine Unit with professional services in the field of veterinary medicine.
