SUMMARY

In a report to the Mayor dated January 16, 2015 (attached to the Council file), the CAO states that LAPD requests authority to enter into an agreement with Pruno Veterinary Enterprises Inc., d.b.a. Mid Valley Veterinary Hospital. Under the terms of this agreement, the contractor will provide 24-hour veterinary care and services for the LAPD's Canine Platoons, including Metropolitan Division, Gang and Narcotics Division, and Emergency Services Division's Bomb Squad and Bomb Detection Canine Unit. The proposed agreement would allow the contractor to provide services for three years from date of execution at a cost not to exceed \$60,000 annually. On November 4, 2014, the Board of Police Commissioners approved LAPD's request. The CAO concurs with this action.

At its meeting held January 23, 2015, the Public Safety Committee recommended that Council authorize LAPD to execute the contract with Pruno Veterinary Enterprises, as recommended by the Board of Police Commissioners and the CAO.
