PUBLIC WORKS & GANG REDUCTION
PUBLIC WORKS & GANG REDUCTIO

MOTION

In 1936, the Council took an action to withdraw from public use various streets and roadways (Ordinance No. 77302), including Beverly Estates Drive, between Beverly Grove Drive and Tower Grove Drive, in Council District 5. This portion of Beverly Estates Drive is in severe need of resurfacing, but the City only provides services to public use streets and roadways.

Ordinance No. 77302 also provides that the City may return any of the withdrawn streets to public use when it has been determined that any such street is safe and in a passable condition.

The City Engineer and the Bureau of Street Services should expeditiously determine the current condition of Beverly Estates Drive and to report on the steps needed to reinstate this street as a public street.

I THEREFORE MOVE that the Department of Public Works be directed to report on the current roadway condition of Beverly Estates Drive, between Beverly Grove Drive and Tower Grove Drive, in Council District 5, which was withdrawn from public use in 1936 under Ordinance No. 77302, and to report on the steps necessary to reinstate Beverly Estates Drive as a public street.
