

ITEM No. ~~22~~ **A**

MOTION

I MOVE that the matter of the Transportation Committee Report relative to submitting grant applications to the Los Angeles County Metropolitan Transportation Authority (Metro) for the 2015 Call for Projects, and proposed projects, Item No. 22 on today's Council Agenda (CF 14-1680) BE AMENDED to instruct the Department of Transportation to add the Sixth Street Viaduct Replacement Project - Pedestrian Improvements project to the list of projects to be submitted to Metro for the 2015 Call for Projects program, if the Interdepartmental Task Force scores the project above the established cut-off line of 70 points.
