### SUMMARY

At the meeting held on February 2, 2016, your Public Safety Committee considered Board of Police Commissioners and CAO reports relative to the retroactive approval to apply for and accept a \$200,000 grant award from the CalOES for the 2015-16 ICAC Task Force Program. The CAO reports that the primary purpose of the ICAC Program is to ensure law enforcement agencies are equipped to quickly respond to, investigate, and prosecute incidents involving the exploitation of children and juveniles through the use of the Internet. To meet these objectives, ICAC funds may be used to enhance investigation of offenders, deliver educational outreach programs, prosecute offenders in federal, state or local courts, allow for the LAPD to serve as a forensic resource to law enforcement agencies within the service area, and support participation in nationally coordinated investigations. After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the CAO transmittal as modified, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
