SUMMARY

At its meeting of February 2, 2015, the Budget and Finance Committee considered a Motion (Huizar - Blumenfield) relative to the donation of a van to the Bilingual Foundation of the Arts (BFA). According to the Motion, the Fourteenth Council District has received a request to donate one van to the BFA, a non-profit theater company which presents Hispanic literary culture for both Spanish- and English- speaking audiences. BFA produces four main stage plays each year, presented at its 99-seat theater and plays an active role in supporting the arts in the district. The van will enable the organization to continue to provide services to the community.

The Motion also states that Section 22.547 of the LAAC provides that upon Council approval, surplus City equipment may be sold for less than market value to a non-profit organization located in the City of Los Angeles which has been established exclusively to further the services provided by the City. The van has a fair market value of \$4,500, which will be forgone revenue should it be donated.

After further consideration and having provided an opportunity for public comment, the Budget and Finance Committee recommended approval of the Motion recommendations. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
