The Honorable City Council  
of the City of Los Angeles  
Room 395, City Hall  
200 North Spring Street  
Los Angeles, CA 90012

Honorable Members:

On February 13, 2015, this Office transmitted a draft ordinance (City Attorney Report No. R15-0034) adding a new Article 12 to Chapter 6 of the Los Angeles Administrative Code to establish a Sidewalk and Curb Repair Fund (Fund) to manage the funds the City has budgeted to repair the pedestrian public right-of-way, including sidewalks, curbs, crosswalks and other pedestrian walkways. After subsequent review by the City Administrative Officer (CAO), Subsection (c) of Section 5.121.12 was amended to give control of the Fund to the Board of Public Works, or its designee, and to broaden the definition of Pedestrian Facilities. We now transmit for your consideration the revised draft ordinance, approved as to form and legality.

Council Rule 38 Referral

A copy of the revised draft ordinance was sent, pursuant to Council Rule 38, to the CAO with a request that all comments, if any, be presented directly to the City Council when this matter is considered.
