SUMMARY

In a report to the Board of Police Commissioners dated June 1, 2015, attached to the Council file, the LAPD recommends that the Board approve the acceptance of the donation from the Los Angeles Police Foundation of a strategic plan valued at \$57,500 for the LAPD. The LAPD reports that the consulting firm of KPMG will facilitate the LAPD in developing a strategic plan to meet its 2015 Goals and Initiatives, with the objective to assume a leadership role in influencing the debate and setting an example of how the notion of community confidence and relations must evolve to a new level. They will leverage their experiences to work alongside the LAPD to solicit feedback and facilitate development of the strategic plan and will leave legacy knowledge of the planning methods utilized and designed jointly in this effort, allowing for a more sustained capability for the future. After further discussion of the matter, the Committee recommended that Council approve the acceptance of the donation from the Los Angeles Police Foundation of a strategic plan valued at \$57,500 for the LAPD, as recommended by the Board of Police Commissioners, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
