SUMMARY

In a report to the Board of Police Commissioners dated March 27, 2015, LAPD requests authority to accept a donation of cybercrime investigation courses. LAPD reports that the classes will provide Department personnel with a fundamental understanding of cybercrime and how to investigate its occurrences. The donation also includes two Mobile Device Forensic classes which will provide Department personnel with POST certification for the seizure and examination of mobile devices. This certification is required for court proceedings. On March 31, 2015, the Board approved LAPD's request.

At the Public Safety Committee meeting held June 12, 2015, the Committee Chair recommended that Council authorize LAPD to accept this donation.

Respectfully Submitted,
