SUMMARY

On February 24, 2015, Council considered Resolution (Koretz - Krekorian) relative to restricting the parking of over-sized vehicles under freeway overpasses on certain street segments in West Los Angeles. Resolution states there is an increased problem with oversized vehicles parking under the 10 Freeway immediately adjacent to residential buildings in Council District 5. Large vehicles are often parked overnight and constrict travel lanes, thereby creating dangerous situations. Resolution recommends that Council approve parking restrictions for over-sized vehicles on impacted area streets. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held March 25, 2015, the Transportation Committee recommended that Council approve the recommendations of the Resolution to establish the parking restrictions described above.

Respectfully Submitted,
