Brief Summary: We support granting additional public comment time to a council and their representatives who have themselves put in additional contemplative time. In doing so, a verification mechanism must be required to ensure any public speaker availing themselves to additional time is authorized and accurately conveying the sentiments of their respective councils.

Additional Information: Neighborhood Councils operate in compliance with the Brown Act, hear public comment, exercise due diligence and debate issues before advising the City on such. A Neighborhood Council cannot convey a formal position without the assent of its Governing Body.
