SUMMARY

On April 28, 2015, Council considered Motion (LaBonge – O'Farrell) relative to expanding the parking restrictions for PPD Nos. 180, 189, 190, 192, and 195. As the popularity of the Hollywood Sign and Griffith Park continues to increase with the public and tourists, street parking has impacted the nearby neighborhoods. Motion makers state that the residents of the Hollywoodland Homeowner's Association have requested that the parking restrictions for the five existing PPDs expand from the current weekend/holiday two-day restriction to seven days a week. Council referred Motion to the Transportation Committee for consideration.

At its meeting held May 27, 2015, the Transportation Committee recommended that Council approve Motion's recommendations.

Respectfully Submitted,
