

PUBLIC WORKS AND GANG REDUCTION COMMITTEE REPORT relative to installing a rainwater cistern in a parkway and/or median island for the purpose of capturing rainwater to water newly planted trees.

Recommendation for Council action, pursuant to Motion (Blumenfield - Koretz):

INSTRUCT the Bureau of Street Services to work with the Bureau of Sanitation and, in consultation with the staff of Council District Three, to report on the feasibility of implementing a pilot project to install a rainwater cistern in a parkway and/or median island for the purpose of capturing rainwater to water newly planted trees.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

### SUMMARY

At the meeting held on August 21, 2019, your Public Works and Gang Reduction Committee considered a Motion (Blumenfield - Koretz) relative to the feasibility of implementing a pilot project to install a rainwater cistern in a parkway and/or median island for the purpose of capturing rainwater to water newly planted trees. After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS AND GANG REDUCTION COMMITTEE
