Item Number:

Brief Summary: The GPNC urges the Los Angeles City Council to approve the Motion that requests all relevant City departments to report on strategies for protecting biodiversity in all City practices and further requests a Technical Advisory Committee to recommend new strategies and report on the feasibility of implementing the City Biodiversity Index.

Additional Information: The GPNC SUPPORTS this Motion because our area is governed by a "specific plan" and developing habitat-based geospatial strategies is in the interest of our community.

Council File 15-0499

Honorable City Council
c/o Office of the City Clerk
Los Angeles City Hall
200 North Spring Street, Room 395
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 15-0499 that asks the City Council to approve a working group of City departments to report on current and future strategies for protecting biodiversity in all city practices; as well as convening a Technical Advisory Committee to make recommendations for strategies to protect and improve biodiversity and on the feasibility of implementing the City Biodiversity Index.

COMMUNITY IMPACT STATEMENT

The Glassell Park Neighborhood Council SUPPORTS this Motion because our area is governed by a “specific plan” and developing habitat-based geospatial strategies is in the interest of our community.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on May 19, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 7 yes, 0 no, 0 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to approve the Motion that requests all relevant City departments to report on strategies for protecting biodiversity in all City practices and further requests a Technical Advisory Committee to recommend new strategies and report on the feasibility of implementing the City Biodiversity Index.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
