NO COST EXTENSION

The purpose of this amended Notice of Award is to provide a 12 month no-cost extension to allow additional time to expend unobligated funds in the amount of

ATTACHMENT C

\$55,047 as requested in the recipient's correspondence dated October 19, 2015. The request has been reviewed based upon the information submitted by the recipient. These funds have been approved for identified activities and must be completed by the end of the budget period. CDC has extended this award to allow for continued drawdown authority in the Payment Management System (PMS). All funds must be obligated no later than the end of the revised budget period end date of **September 29, 2016**.

Award funds may be withdrawn from the subaccount identified below:

Grant Document Number: 001261LP14

Sub-account title: RFA-EH14-1408

These funds have been approved to support one-time activities to be completed by the end of the budget period and do not reflect an increase in your on-going funding base.

Please be advised that grantee must exercise proper stewardship over Federal funds by ensuring that all costs charged to their cooperative agreement are allowable, allocable, and reasonable.

REPORTING REQUIREMENTS - REVISED

Annual Federal Financial Report (FFR, SF-425): The Annual Federal Financial Report (FFR) SF-425 for PPHF Activities is required and must be submitted via email and hard copy to the assigned GMS no later than 90 days after the end of the calendar quarter in which the budget period ends. The FFR for this budget period is due to the GMS/GMO by **December 29, 2016**. Reporting timeframe is **September 30, 2014 through September 29, 2016**.

The FFR should only include those funds authorized and disbursed during the timeframe covered by the report. The final FFR must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. There must be no discrepancies between the final FFR expenditure data and the Payment Management System (PMS) cash transaction data. All Federal reporting in PMS is unchanged.

Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, the grantee is required to contact the Grants Officer listed in the contacts section of this notice before the due date.

All award funds must be tracked and reported separately. Funds must be used in support of approved activities in the supplement request.

CLOSEOUT REQUIREMENTS - REVISED

Grantees must submit closeout reports in a timely manner. Due to PPHF funding legislation and congressionally mandated tracking requirements, the grantee must submit all closeout reports within 90 days after each budget period. Reporting timeframe is **September 30, 2014 through September 29, 2016** and closeout documents are due no later than December 29, 2016. Failure to submit timely and accurate final reports may affect future funding to the organization or awards under the direction of the same Project Director/Principal Investigator (PD/PI).

ATTACHMENT C

All manuscripts published as a result of the work supported in part or whole by the cooperative grant must be submitted with the progress reports.

An original plus two copies of the reports must be mailed to the GMS for approval by the GMO by the due date noted. Ensure the Award and Program Announcement numbers shown above are on the reports.

The final and other programmatic reports required by the Terms and Conditions of the NoA are the following.

Final Performance Report: An original and two copies are required. At a minimum, the report should include the following:

- Statement of progress made toward the achievement of originally stated aims.
- Description of results (positive or negative) considered significant.
- List of publications resulting from the project, with plans, if any, for further publication.

Final Federal Financial Report (FFR, SF-425): The FFR should only include those funds authorized and actually expended during the timeframe covered by the report. The Final FFR, SF-425 is required and must be submitted through eRA Commons no later than 90 days after the end of the project period. This report must indicate the exact balance of unobligated funds and may not reflect any unliquidated obligations. Should the amount not match with the final expenditures reported to the Department of Health and Human Services' Payment Management Services (PMS), you will be required to update your reports to PMS accordingly. Remaining unobligated funds will be de-obligated and returned to the U.S. Treasury.

If the final reports (FFR and Final Progress Report) cannot be submitted within 90 days after the end of the project period, in accordance with 2 CFR Parts 200.343 (Closeout), 225 and 230, the Page 16 of 17 CDC NGA D | Version: 358 - 03/04/2014 22:36:00 | Generated on: 09/23/2014 00:10:34 grantee must submit a letter requesting an extension that includes the justification for the delay and state the expected date the CDC Procurement and Grants Office will receive the reports. All required documents must be mailed to the business contact identified in Staff Contacts.

Equipment Inventory Report: An original and two copies of a complete inventory must be submitted for all major equipment acquired or furnished under this project with a unit acquisition cost of \$5,000 or more. The inventory list must include the description of the item, manufacturer serial and/or identification number, acquisition date and cost, percentage of Federal funds used in the acquisition of the item. The grantee should also identify each item of equipment that it wishes to retain for continued use in accordance with 2 CFR Parts 200, 215.37 or 2 CFR Part 215.71.

These requirements do apply to equipment purchased with non-federal funds for this program. The awarding agency may exercise its rights to require the transfer of equipment purchased under the assistance award referenced in the cover letter. CDC will notify the grantee if transfer to title will be required and provide disposition instruction on all major equipment. Equipment with a unit acquisition cost of less than \$5,000 that is no longer to be used in projects or programs currently or previously sponsored by the Federal Government may be retained, sold, or otherwise disposed of, with no further obligation to the Federal

Government. If no equipment was acquired under this award, a negative report is required.

Final Invention Statement: An original and two copies of a Final Invention Statement are required. Electronic versions of the form can be downloaded by visiting <http://www.hhs.gov/forms/hhs568.pdf>. If no inventions were conceived under this assistance award, a negative report is required. This statement may be included in a cover letter.

All other terms and conditions issued with this award remain in effect, unless otherwise changed, in writing, by the Grants Management Officer.
