SUMMARY

At its regular meeting held on April 11, 2016, the Budget and Finance Committee considered the Investment Reports submitted by Finance for the months of November and December 2015. According to Finance, its reports satisfy the recommended reporting requirements of the Los Angeles Administrative Code relative to the Council's request for monthly financial information. The reports, attached to the Council file, provide information on the investment environment, portfolio characteristics, and investment performance.

After providing an opportunity for public comment, the Budget and Finance Committee recommended that Council note and file the Investment Reports, inasmuch as the reports are submitted for information only. This matter is now forwarded to the Council for its consideration.
