INSTRUCT the LADOT, in coordination with the BSS and the Bureau of Engineering, to inspect the present condition of every lane mile of Class I and Class II bike paths and lanes within the city to produce a timeline and cost estimate for bringing any deficient pavement up to appropriate safety standards and to report to Council on these matters.
5. INSTRUCT the City Administrative Officer (CAO) and the Chief Legislative Analyst (CLA) to review the report and prepare budgetary instructions necessary to effectuate repairs on any deficient infrastructure found during the course of the review.
