Honorable Eric M. Garcetti, Mayor  
City of Los Angeles  
City Hall, Room 305

Dear Mayor Garcetti:

**General Plan Amendment to adopt the amendments to the Mobility Plan 2035.**

Pursuant to the provisions of Section 551, 555 and 558 of the City Charter, transmitted herewith is the February 11, 2016 action of the City Planning Commission approving the proposed amendments to the Mobility Plan 2035.

Therefore, on behalf of the City Planning Commission, I set forth their findings, and recommend adoption of the subject General Plan Amendment and corresponding actions by City Council.

**RECOMMENDATION**

That the Mayor:

1. Concur in the attached action of the City Planning Commission relative to its approval of the proposed General Plan Amendment; and
2. Recommend that the City Council find, based on its independent judgment, after consideration of the entire administrative record, including the Mobility Plan EIR, EIR No. 2013-0911-EIR; SCH No. 2013041012, certified on August 11, 2015 ("Final EIR"), First Addendum, No. ENV- 2013-0911-ADD1, and the Second Addendum dated January 28, 2016, No. ENV 2013-0911-ADD2, that the amendments to the Mobility Plan 2035 and the amendments to the Community Plans were environmentally assessed in the Final EIR and that pursuant to CEQA Guidelines Section 15162 and 15164 and Public Resources Code Section 21166 no subsequent or supplemental EIR is required for approval of the Mobility Plan 2035 and Community Plan amendments.

3. Recommend that the Mayor approve and the City Council adopt the draft Resolution (attached as Exhibit "A"), which does all of the following:
  - a. Amends the Mobility Plan 2035 (as updated on January 20, 2016), by adopting the amendments (Exhibit A.2-A.3) to the Mobility Plan 2035, including text and map amendments.
  - b. Amends the Land Use Element of the General Plan (consisting of 35 community plans) to emphasize already existing law that the Community Plans' goals, objectives, policies and programs regarding circulation are aspirational and to be implemented only to the extent feasible and appropriate in light of other complementary policies in the GP (Exhibit A.1).
