SUMMARY

On June 12, 2015, Council considered Resolution (Blumenfield – Englander) relative to prohibiting the parking of oversized vehicles on streets near Warner Ranch Park in Woodland Hills. Resolution states this area has become a popular location for large vehicles to park overnight, which results in fewer parking spaces for residents and businesses, as well as limited visibility for drivers. The Warner Ranch Park community, as well as numerous homes and businesses, is experiencing public safety issues associated with these large vehicles that park for long periods of time on the aforementioned streets. Resolution makers recommend that Council prohibit the overnight parking of oversized vehicles in this area. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held June 24, 2015, the Transportation Committee recommended that Council approve Resolution.
