### SUMMARY

At a special meeting held on August 3, 2015, the Budget and Finance Committee considered Motion (Englander - Blumenfield) relative to the sale of 75 handheld Motorola Astro Saber 3 radios to the CEMP at the below market value of \$1.00.

Motion (Englander - Blumenfield) proposes the sale of the radios to the California Emergency Mobile Patrol, a non-profit all-volunteer rescue team based in the San Fernando Valley whose mission is to volunteer specialized services to those in need and for community needs such as search and rescue, aiding with resources, and general assistance in times of disaster. The Motion further states that Section 22.547 of the LAAC authorizes the sale of surplus City equipment at below market value to a non-profit organization located in the City that meets certain requirements, and that the CEMP meets those requirements. Additionally, the Motion states that the radios will be destroyed by the Los Angeles Police Department if they are not donated, so no revenue will be foregone by the City if the donation is approved.

After providing an opportunity for public comment, the Budget and Finance Committee approved the recommendations in the Motion relative to the sale of the surplus radios to the CEMP at the below market value of \$1.00. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
