Section 8.231 of the Administrative Code addresses the membership composition for the Innovation and Performance Commission (IPC) and authorizes the Council President to appoint nine members from nominations submitted by the Chairs of the Budget and Finance, Audits, and Personnel and Animal Welfare Committees.

Recently, the City Council created a new structure for its policy committees which abolished the Audits Committee, and directly affects the IPC membership. Since the Audits Committee no longer exists, it should be replaced with another Committee that will have IPC representation.

I THEREFORE MOVE that the City Attorney be requested to prepare and present an Ordinance that would amend Section 8.231 of the Administrative Code to indicate that the Council President is authorized to appoint nine members of the Innovation and Performance Commission from nominations submitted by the Chairs of the three Council committees that oversee the Budget, Personnel, and Innovation functions, respectively.
