Summary: The Greater Valley Glen Council endorses the Motion (CF 15-1022-S2) made at City Council suspending the use of online voting for future Neighborhood Council elections until otherwise authorized. As California Elections Code Section 19217 prohibits online voting, such voting for Neighborhood Councils, which are empowered to spend monies from Los Angeles' general fund, is on its face inappropriate. We take exception to recommendations from DONE to the City Council in their report on online voting dated January 17, 2017 regarding lowering the voting age to 12 and restricting voting categories to three as compromising the Neighborhood Council's ability to self-govern.
