Summary: The Glassell Park Neighborhood Council voted unanimously, with one recusal, AGAINST this council file.

We, the GPNC, believe that DONE's online elections were a great boon to our community. Our turnout was higher than ever before - our stakeholders were more engaged and active than we have seen in the past. The online elections helped to include more of our stakeholders and we strongly believe that it would be a great loss if they were to be removed.

We understand that other Neighborhood Councils had a less-positive experience with the system, but Glassell Park sees no reason to shut it all down in order to make improvements.

For these reasons, the Glassell Park Neighborhood Council is AGAINST this motion..
