

ARTS, ENTERTAINMENT, PARKS AND RIVER COMMITTEE REPORT relative to the feasibility of developing a mobile application that would streamline and expedite the process for obtaining certain permits, including special events, vehicle parking, facility use, vending, and other commercial services.

Recommendation for Council action, pursuant to Motion (Blumenfield - O'Farrell):

INSTRUCT the Department of Recreation and Parks (RAP) to work in consultation with the Information Technology Agency and report on the feasibility of developing a mobile application, as described in the Motion (attached to the Council file), that would streamline and expedite the process for obtaining certain permits, including special events, vehicle parking, facility use, vending, and other commercial services at RAP facilities.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

At the meeting held June 13, 2018, your Arts, Entertainment, Parks and River Committee considered Motion (Blumenfield - O'Farrell) relative to the feasibility of developing a mobile application, that would streamline and expedite the process for obtaining certain permits, including special events, vehicle parking, facility use, vending, and other commercial services. The Motion attached to the Council file, includes some background on the matter.

After an opportunity for public comment was held, the Committee moved to approve the recommendations contained in the Motion as detailed above. This matter is now forwarded to the City Council for its consideration.

Respectfully Submitted,

ARTS, ENTERTAINMENT, PARKS AND RIVER COMMITTEE
