COUNCIL FILE NO. 15-1521

On April 5, 2016, the Ad Hoc on Comprehensive Job Creation Plan Committee considered reports from the City Administrative Officer (CAO), the Economic and Workforce Development Department (EWDD), and the Department of General Services (GSD) relative to the development of a City-wide asset management plan and the leveraging of City properties for economic development and job creation. After providing an opportunity for public comment, the Committee approved the recommendation contained in the CAO report, as amended, to read:

Instruct the CAO's Asset Management Group, in collaboration with other pertinent City departments, i.e., EWDD and Housing and Community Investment Department, to present semi-annual reports to Council via the Municipal Facilities Committee on the City's economic development efforts related to City property.

The Committee also recommended that Council note and file the EWDD and GSD reports.

This matter is also referred to the Entertainment and Facilities Committee and is hereby transmitted for consideration.
