Summary:

On January 13, 2016, your Committee considered a December 16, 2015 LADOT report relative to establishing TPPD No. 252 near Sepulveda Boulevard and Brookhaven Avenue in Council District Five pursuant to LAMC Section 80.58. Specifically, the two street segments composing TPPD No. 252 are:

- a. Military Avenue between Brookhaven Avenue and Sardis Avenue

b. Military Avenue between Sardis Avenue and Sproul Avenue

On August 18, 2014, the LADOT received a letter from the Councilmember for District Five requesting that TPPDs be established due to the residents in the neighborhoods of Westwood Gardens Civic Association and West of Westwood Homeowners Association, will experience an overwhelming increase of vehicles of Expo riders and business employees parking in the neighborhood. It is believed that there will be little to no on-street parking left for the residents of this community and their guests.

The establishment of TPPD No. 252, pursuant to LAMC Section 80.58.d, is exempt from CEQA as a Class 1 Categorical Exemption, under Article III.I.a.3 of the 2002 Los Angeles City CEQA Guidelines. Council has the authority, pursuant to LAMC Section 80.58.d, to establish TPPDs by resolution "to provide relief for residents who suffer an excessive parking impact...as the result of any conditions which impact fewer than six blocks and which, in the judgment of the Council member of the District and after consultation with the Parking Administrator, deserve immediate relief until a permanent solution can be found."

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of creating TPPD No. 252 as contained in the December 16, 2015 LADOT report and detailed in the above recommendations. This matter is submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
