

RESOLUTION

WHEREAS the Bureau of Sanitation's (LASAN) commitment to Mayor Garcetti's Sustainable Plan has led the City to recycle nearly 100 million gallons per day (MGD) of water, which can be used for irrigation, industrial purpose and ground water protection;

WHEREAS LASAN is actively seeking funding from public agencies and private foundations to further implement Mayor Garcetti's Sustainable plan; and

WHEREAS LASAN is implementing the Donald C. Tillman (DCT) Groundwater Replenishment (GWR) Advanced Water Purification Facility Pilot Project to evaluate and compare performance of the full advance treatment (FAT) train alternative direct potable reuse treatment trains;

WHEREAS on April 2, 2015, LASAN submitted a proposal for Tailored Collaboration (TC) Program through the WateReuse Research Foundation WRRF) Tailored Collaboration;

WHEREAS on May 14, 2015, the WateReuse Research Foundation's Tailored Collaboration (TC) Committee and Board of Directors accepted the proposal and awarded \$120,000 to LASAN; and,

NOW, THEREFORE BE IT RESOLVED, that the City Council, with the concurrence of the Mayor, hereby authorizes and empowers the Director of the Bureau of Sanitation, or designee to accept the grant and to negotiate and execute agreements, amendments and requests for payment subject to the approval of the City Attorney as to form, which may be necessary to secure an amount not to exceed \$120,000.
